ERRATUM NOTICE

The papers that make up this issue's theme were developed with extensive input from Jia Frydenberg, Director of the Irvine Distance Learning Center, University of California (jia.frydenberg@uci.edu), who served as guest editor for the section on Principles and Practices, and also from Cheryl R. Dhein, Associate Professor of Veterinary Clinical Sciences and Head of Instructional Technology, Veterinary Information Systems, in the College of Veterinary Medicine, Washington State University (crd@vetmed.wsu.edu).
